

# Greenhouse Flower Basket Agenda

## January 29, 2010

1. Flower Baskets...status
  - a. to date committed to 45 flower baskets for a total of \$4,871.00. 35% deposit sent to Nevada's Own Perennials in the amount of \$1,705.00 on 12/28/09.
  - b. Greenhouse Garden Center will buy the plant material from Dan for the additional 45 Baskets but if we get additional sponsors in the February campaign that same plant material will be for our flower baskets.
  - c. Hand out sponsorship forms....in memoriam. Valentines, Mothers and Fathers Day, because we care
  - d. sign up sheet to re-line baskets with coir mat
  - e. obtained NDOT permit
  - f. questions or comments
  
2. Greenhouse...status
  - a. Last school board mtg of the year, the board voted for the Greenhouse Project to be located on a 1 acre parcel tbd from the 10 acre parcel zoned agricultural behind the soccer field off Robinson St. We received a signed LOI at that meeting so we could move forward on grant opportunities for the 2010 year.
  - b. now we are trying to finalize the school districts decision on the 1 acre through their major plan review committee so we can get
    - i. a title report run
    - ii. ensure that there's no intractable easement issues
  - c. Once accomplished our LOI will be good to go at which time we have to undergo a major plan review with CC Planning Dept.
  - d. reason for mpr committee selection of 1 acre is to combine school and greenhouse resources wisely and not impact future expansion of school.
  - e. Janette's comments on this
  - f. Business Plan status.....meetings in Dec with Kathy Halbardier of NNDA and Ben Steele on financials along with Dan McClure of NV's Own Perennials to finalize details for the business plan. Completion...
  - g. Grants.....
    - i. Attended CDBG workshop in Dec
    - ii. CDBG grant..made first hurdle in Facilities category
    - iii. Jan 28 Application Review Workgroup Meeting for recommendations to the BOS on funding priorities. Janette was the work horse on this to meet the deadline in my absence
  - h. questions or comments
  - i. Learn and Serve Grant...Janette or JoAnn comment on this and deadline date of March 9...this could fund the structure.
  - j. Fund for Healthy Nevada grant opportunity (google-Nevada DHHSgmu and hit left bar for 2010/2011). Jan 25 and Feb 5 orientation meeting for the grant process mandatory. any action group members interested in working on this grant...app is online.....what criteria:
    - i. stress fitness and nutrition

- ii. wish list of what we hope to achieve
  - iii. what areas need funding for the next 2 yrs
  - iv. overview the program...how we see the flow
  - v. define needs
  - vi. Boys and Girls Club and important component
  - vii. outputs and outcomes...# of kids through in a year defined as July 1 through June 30
  - viii. what will they gain..ie. 75% show improvement in their knowledge
  - ix. deadline is Feb 22
- k. Joyce Buckingham looking into Grant opportunities through Children's Trust Fund
  - l. Need help with High Tunnels Pilot Project.. new grant being offered that covers 75% of hoop house cost for over the CSA program cut flowers.....might be a good way to get our project off the ground by late August...no permit needed for structure...see handout
  - m. Greenhouse curriculum
    - i. school district--Agriculture and Natural Resource Science Standards info
  - n. Greenhouse logo contest underway/Cameron
    - i. approval from CCCC in Dec to hold judging at their March 16 meeting
